25. 다음 글에서 필자가 주장하는 바로 가장 적절한 것은?

Some people need money more than we do. For example, some people have lost their homes because of natural disasters or war, while others don't have enough food or clothing. So this year, for our birthdays, let's tell our friends and family to donate money to a charity instead of buying us

presents. I know that some kids might want to have their birthday presents, and I understand. However, remember that we can live without new toys or games more easily than someone can live without food, clothing, or shelter. So, we should tell our friends and family that, for our birthdays this year, we want to give it to others.
